

**REMARKS**

The specification and claims 5-8 have been amended as recommended by the Examiner in the *ex parte* Quayle Action dated July 2, 2010. Claim 16 has been cancelled without prejudice or disclaimer of the encompassed subject matter and with the understanding that Applicants may pursue this subject matter in a divisional application. No new matter has been added.

***Objection to Specification***

The specification is objected to for reasons asserted on page 2 of the Quayle Action. Applicants have addressed the objections by amending the specification as recommended by the Examiner on page 2 of the Quayle Action by submission of marked and clean copies of a Substitute Specification. Accordingly, Applicants respectfully request withdrawn of this objection.

***Allowable Claims***

Claims 5-10 and 14 are objected to for the reasons asserted on pages 2-3 of the Quayle Action but are otherwise considered by the Examiner as allowable.

Applicants have addressed the objections to claims 5-10 and 14 by amending the claims as recommended by the Examiner on page 3 of the Quayle Action. Accordingly, Applicants submit that claims 5-10 and 14 are in now in condition for allowance and respectfully request notification of the same by the Examiner.

If there are any additional fees due in connection with the filing of this response, please charge the fees to our Deposit Account No. 50-0310. If a fee is required for an extension of time under 37 C.F.R. §1.136 not accounted for above, such an extension is requested and the fee should also be charged to our Deposit Account.

Respectfully Submitted,
